# **HR 7010 Summary**

**Paycheck Protection Program Flexibility Act of 2020**

**(6/5/2020)**

## Seven Key Changes (Changes 1-3)

1. Extends the covered period for loan forgiveness from eight weeks after loan disbursement to 24 weeks or Dec. 31, 2020 (whichever comes first)
  - Borrowers who received a PPP loan before June 5, 2020 **retain the option** to use an eight-week covered period.
2. Lowers the requirement that 75 percent of a borrower's loan proceeds must be used/spent for payroll costs during the loan forgiveness covered period to 60 percent.
3. Provides a safe harbor from **reductions in forgiveness**, based on reductions in full-time equivalent employees, for borrowers that are unable to return to the same level of business activity prior to February 15, 2020, due to compliance with requirements/guidance between March 1, 2020 and December 31, 2020 by the:
  - Secretary of Health and Human Services
  - Director of the Centers for Disease Control and Prevention
  - Occupational Safety and Health Administration, related to worker or customer safety requirements related to COVID-19.

## Seven Key Changes (Changes 4-7)

4. Provides a safe harbor from **reductions in loan forgiveness** based on reductions in full-time equivalent employees...:
  - If unable to rehire individuals who were employees of the borrower on February 15, 2020
  - If unable to hire similarly qualified employees for unfilled positions by December 31, 2020.
5. Increases to five years the maturity of PPP loans that are approved by SBA (based on the date SBA assigns a loan number) on or after June 5, 2020.
  - For loans approved before that time; the Borrower and Lender **must mutually agree** to change the maturity.
6. Extends the deferral period for borrower payments of principal, interest, and fees on PPP loans to the date that SBA remits the borrower's loan forgiveness amount to the lender
  - if the borrower does not apply for loan forgiveness; 10 months after the end of the borrower's loan forgiveness covered period.
7. Removed the restriction of participating in the deferment (employer portion) of social security payroll tax if you received a PPP loan. Now you can defer through December 31, 2020 and pay the balance deferred 50% on December 31, 2021 and 50% on December 31, 2022.

## Alternative Covered Period

**Covered Period:** Twenty-four weeks Covered Period of your PPP loan or December 31, 2020 (whichever comes first). The first day of the Covered Period must be the same as the PPP Loan Disbursement date. Borrowers with loans approved prior to June 5, retain the right to remain under the 8 weeks covered period.

**Alternative Payroll Covered Period:** Borrowers with a biweekly (or more frequent) payroll schedule may elect to calculate eligible payroll costs using the 8 weeks or 24 weeks period that begins on the first day of their first pay period following their PPP Loan Disbursement Date.

***For example:** if the Borrower received its PPP loan proceeds on Monday, April 20, and the first day of its first pay period following its PPP loan disbursement is Sunday, April 26, the first day of the Alternative Payroll Covered Period is April 26*

## Required FTE Calculation

The actual loan forgiveness amount that the Borrower will receive may be less, depending on whether the Borrower's average weekly number of FTE employees during the Covered Period or the Alternative Payroll Covered Period was less than during the Borrower's chosen reference period.

For each employee, for the appropriate period (Covered or Alternate Covered)

1. Take the average number of hours paid per week, divide by 40, and round the total to the nearest tenth.
  - The maximum for each employee is capped at 1.0.
2. Or, simply assign a 1.0 for employees who work 40 hours or more per week and 0.5 for employees who work fewer hours

# **Costs Eligible for Forgiveness**

# What is 'Payroll Cost'

## Original IFR III 2 ii f

Payroll costs consist of

- compensation to employees (whose principal place of residence is the United States) in the form of salary, wages, commissions, or similar compensation; cash tips or the equivalent (based on employer records of past tips or, in the absence of such records, a reasonable, good-faith employer estimate of such tips);
- payment for vacation, parental, family, medical, or sick leave;
- allowance for separation or dismissal;
- payment for the provision of employee benefits consisting of group health care coverage, including insurance premiums, and retirement;
- payment of state and local taxes assessed on compensation of employees;
- and for an independent contractor or sole proprietor,
  - wage, commissions, income, or net earnings from self-employment or similar compensation.

## Summary of Eligible Costs - Payroll

- Payroll costs paid and payroll costs incurred during the eight-weeks (56-days) Covered Period or 24-weeks Covered Period (cannot exceed December 31, 2020).
  - Payroll costs are considered paid on the day that paychecks are distributed or the Borrower originates an ACH credit transaction.
  - Payroll costs are considered incurred on the day that the employee's pay is earned.
  - Payroll costs incurred but not paid during the Borrower's last pay period of the Covered Period are eligible for forgiveness if paid on or before the next regular payroll date.
    - Otherwise, payroll costs must be paid during the Covered Period.
- For each individual employee, the total amount of cash compensation eligible for forgiveness may not exceed an annual salary of \$100,000, as prorated for the covered period.
- Count payroll costs that were both paid and incurred only once.

# May 22 IFR 136 / Borrower

*This is ONLY a Summary*

*You should review the information for yourself*

## IRF 136 - 2. Loan Forgiveness Process

- ... complete and submit the Loan Forgiveness Application... 3508 or lender equivalent... to lender.
- ... The lender has 60 days to ... issue a decision to SBA.
- ...SBA will deduct EIDL Advance Amounts from the forgiveness amount remitted to the Lender...
- If SBA determines ... that the borrower was ineligible ... the loan will not be eligible for loan forgiveness.
- The lender is responsible for notifying the borrower...
- If only a portion of the loan is forgiven, or if the forgiveness request is denied, any remaining balance ... must be repaid ... on or before the five-year maturity of the loan.

## **IRF 136 – 3. Payroll Costs Eligible for Loan Forgiveness**

### **a. When must payroll costs be incurred and/or paid to be eligible for forgiveness?**

Borrowers may seek forgiveness for payroll costs for 24 weeks (may not exceed December 31, 2020) or 8 weeks beginning on either:

- i. the date of disbursement of the borrower's PPP loan proceeds from the Lender...
- ii. Or the first day of the first payroll cycle in the covered period (the "alternative payroll covered period").

... Payroll costs incurred during the borrower's last pay period ... are eligible for forgiveness if paid on or before the next regular payroll date;

otherwise, payroll costs must be paid during the covered period (or alternative payroll covered period) to be eligible for forgiveness.

... this ... is limited to payroll cycles that are bi-weekly or more frequent

## **IRF 136 - 3a. Example (Alternative Covered Period)**

- A borrower has a bi-weekly payroll schedule.
- ... eight-week covered period begins on June 1 and ends on July 26.
- The first day of the borrower's first payroll cycle ... is June 7.
- The borrower may elect an alternative payroll covered period ... that starts on June 7 and ends ... August 1.
- ... payroll costs incurred during this ... period are eligible for forgiveness as long as they are paid on or before the first regular payroll date occurring after August 1.
- Payroll costs that were both paid and incurred during the ... period ... may only be counted once.

**IRF 136 - 3b. Are salary, wages, or commission payments to furloughed employees; bonuses; or hazard pay during the covered period eligible for loan forgiveness?**

Yes

**IRF 136 - 4b. Are advance payments of interest on mortgage obligations eligible for loan forgiveness?**

No

## **IRF 136 - 3c. Are there caps on the amount of loan forgiveness available for owner-employees and self-employed individuals' own payroll compensation?**

- Yes... lesser of 8/52 of 2019 compensation... or \$15,385 per individual in total across all businesses.
- In particular ... capped by the amount of their 2019 employee cash compensation and employer retirement and health care contributions made on their behalf.
- Schedule C filers ... by the amount of their owner compensation replacement, calculated based on 2019 net profit.
- General partners ... by the amount of their 2019 net earnings from self-employment (reduced by claimed section 179 expense deduction, unreimbursed partnership expenses, and depletion from oil and gas properties) multiplied by 0.9235.
- No additional forgiveness is provided for retirement or health insurance contributions ... as such expenses are paid out of their net self-employment income.

## FAQ/Summary of IRF 136 (1 of 2)

### **5b. What effect does a reduction in a borrower's number of full-time equivalent (FTE) employees have on the loan forgiveness amount?**

The borrower must first select a reference period:

- (i) February 15, 2019 through June 30, 2019;
- (ii) January 1, 2020 through February 29, 2020;
- (iii) in the case of a seasonal employer, either of the two preceding methods or a consecutive 12-week period between May 1, 2019 and September 15, 2019.

If the average number of FTE employees during the... covered period ... is less than during the reference period, the total eligible expenses available for forgiveness is reduced proportionally...

For example, if a borrower had 10 FTE employees during the reference period and this declined to 8 FTE employees during the covered period, the percentage... declined by 20 percent and thus only 80 percent... (is) available for forgiveness.

## **IRF 136 – 5e. What effect does a borrower's reduction in employees' salary or wages have on the loan forgiveness amount?**

... in excess of 40 percent will generally result in a reduction in the loan forgiveness amount... calculation is performed on a per employee basis, not in the aggregate.

## IRF 136 – 5e. Example

- A borrower reduced a full-time employee's weekly salary from \$1,000 per week during the reference period to \$700 per week during the covered period.
- The employee continued to work on a full-time basis during the covered period with an FTE of 1.0.
- In this case, the first \$250 (25 percent of \$1,000) is exempted from the reduction.
- Borrowers seeking forgiveness would list \$400 as the ... reduction for that employee (the extra \$50 weekly reduction multiplied by eight weeks).

## **IRF 136 - 5f. How should borrowers seeking loan forgiveness account for the reduction based on a reduction in the number of employees ... relative to the reduction relating to salary and wages ...?**

... the salary/wage reduction applies only to the portion of the decline in employee salary and wages *that is not attributable* to the FTE reduction.

Example:

- An hourly wage employee had been working 40 hours per week during the borrower selected reference period (FTE employee of 1.0)
- ... the borrower reduced... hours to 20 hours per week during the covered period (FTE employee of 0.5).
- ... no change to the employee's hourly wage during the covered period.
- Because the hourly wage did not change, the reduction in the employee's total wages is entirely attributable to the FTE employee reduction
- and the borrower is not required to conduct a salary/wage reduction calculation for that employee.
